The main advantages of the software are the use of a new. The.Speculative fiction? Literary fiction? Hard to categorize yet so much fun. Donna Tartt has become the mother of mysteries. I am currently a book two-in-the-series (The Goldfinch) and can't wait for the next one to come out. Here are my top ten books of the series: So many books, so little time! Just kidding, I've read them all and really enjoyed them all. I have to give major kudos to everyone who has written in to the survey about their favorite books from Donna Tartt's The Goldfinch. It has been awesome to read all of the varied comments and see how the books are used in so many different ways. Thanks for the wonderful comments! P.S. Tomorrow I'll be posting the top ten suggestions from Elizabeth's survey to go with Donna's. Just checked out from your new blog and LOVE what you have posted. Our library is to support the author in promoting their books and helping you can find this book. I love Donna Tartt. The Goldfinch is my favorite book of the series. I did just that and I started reading your blog from there. I've been recommending the books to my friends and loved ones. I can't wait to see what books you decide to review. I may not get a chance to comment but I'll be watching from the sidelines. I am such a fan of the goldfinch books. I read them all in the same week and have now read them twice - so it won't be long before I have to be introduced to
