
Elden Ring Crack [+ DLC]+ Keygen Download [Mac/Win] (Updated 2022)

This is a fantasy game in which you create a character and directly control its moves and actions. You can customize your character in a variety of ways, and use various weapons, armor, and magical skills to explore the Lands Between and defeat monsters. Additionally, you can form a strong squad with the characters you meet, explore the game world together, and take on new adventures. Throughout the game, you'll battle with your opponents in real-time. Using the "Take Action" feature, you can directly control the character's moves and actions. By equipping weapons and items, or learning skills, you can customize your character to create your ideal strategy. LINK: WEBSITE (ENG), DEV BOX (JPN)
