The Elder Scrolls Online is a massively multiplayer online role-playing game that allows players to create their own unique characters, advance through levels, and change the land in a quest to save Tamriel from the dreaded Elder Elemental Chaos. Like the award-winning Elder Scrolls IV: Oblivion, players have the power to shape the game world around them. They can decide whether to increase or decrease the difficulty of a quest, what types of enemies they are prepared to defeat and how strong their characters need to be in order to complete it. The world of Tamriel is divided into three primary races and four playable races. Players can decide which race they wish to play as. The Imperials are the most civil, but also the most oppressive. Their wealth has made them complacent, and they have stopped the dream of a Free Tamriel. The College of Atreus, a group of rogue scholars, are still trying to fulfill the dream of a Free Tamriel. They have condemned the Imperials to an eternity of unending war. The Daggerfall Covenant is a reincarnation of the self-styled Dragonborn cult, its founder dead and its members scattered. They seek to wage a slow war against their oppressors, to show the Imperials that there is a better way. The Telvanni are a group of monster hunters, who have taken the brunt of Imperial fury for nearly two centuries. They seek only to preserve the balance of nature and to offer the slaves of the Imperials a chance to see the world through creatures' eyes. The Dunmer, the most merciful of the races, have also suffered under Imperial tyranny, though not as much as the other races. However, they have very little to spare for the Daggerfall Covenant. Some of the four playable races include:

- The Altmer - The most intelligent, noble, and cultured of the Dunmer
- The Argonian - Hunters and herders, they spend much of their time in the forest
- The Breton - Spellcasters with a strong connection to the elements
- The Bosmer - Creatures of all shapes and sizes dwell within the marshes

When the game launches, other races will be available, including Imperial Elves, and Dragonborn, among others. RPG ELDEN ONLINE ORIGINAL GAME
