Free download Dp Utilities 2.0 - Download and Play WAV & MP3 Files.. I don't find it funny. I don't want to be a part of it and I don't want to be in a studio of people that can't control themselves. I've been working on that all this time for 10 years, and I've got the time and the way to put it out and the kind of ways I can make it happen and get it done. But it's hard when people are going to let emotions control them, and when they're not used to doing it or have been doing it a while. And I haven't been doing this very long. "There's a lot of things that I see that looks like a good thing, but it's not a good thing. The best example I can give is if you're [putting] a kid in school that isn't strong enough to learn. I'm not saying nobody is going to protect the children, but my point is just to do it the right way. It's like the old saying, the wrong kid in school that's too smart and too strong; the rest of them have to pick up their slack. Well, he can't pick up his "slack." He can't learn from the rest of the kids. So you put the wrong kid in a school. "I know I've got a lot of people who are saying, 'Oh, he's saying he'll never do a [record] with no songs.' That's because I want to do music. What I've done in the past is I've done albums and I've done singles and I've done 12-inch singles and all this other [stuff]. I've done music. I know I can do music. I love it. But the time I've done it, I've worked with other people, I've done it with other people. I'm in the middle of making a record, which I haven't done in a while
